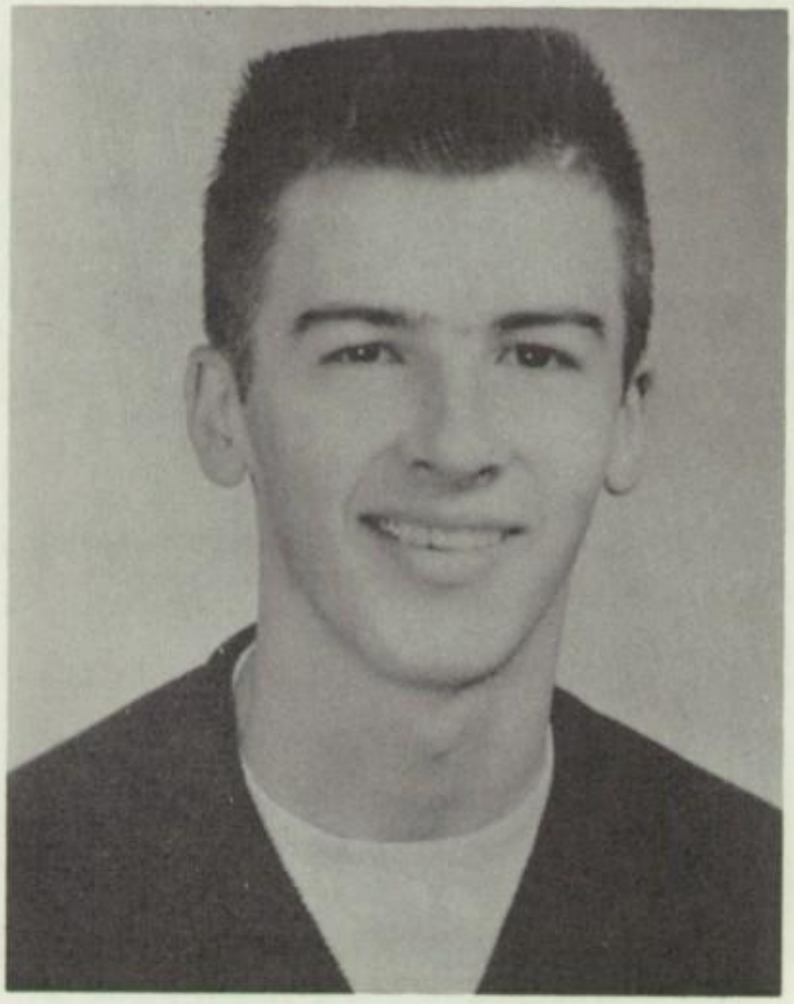
DEDICATION



We, the graduating class of 1957, wish to dedicate this annual to the memory of Paul Planck, a former classmate, who was killed in an automobile accident November 9, 1955.

I cannot say, and I will not say
That he is dead--he is just away.

With a cheery smile and a wave of the hand,
As he wandered into an unknown land.

And left us dreaming how very fair
It needs must be, since he lingers there,

And you, --O you, who the wildest yearn
For the old time step and the glad return, --

Think of him faring on, as dear
In the love of there as the love of Here.

BROCTON CLASS PROPHECY

"This is Your Class" presented by the Fly-True space ships. This is XYZ your friendly television station. Among the famous people in our television show are General Dean Sims and General Robert Towell, who are employed by the Space Patrol. Captain Russell Wood and his co-pilot Leon Mattingly are also present. While the famous Moon Beams Sisters, former classmates, Virginia Vice, Ruth Ann Newhart, Jane Campbell, and Roanna Liffick, are preparing for their act, we will swing the camera around and see who else is present today. Seated to our right are Miss Sharon Miller and Miss Susie Holding, co-authors of LOVE IN HIGH SCHOOL. Seated next to them is Mr. Bill Crum, who repairs space ships for the U. S. Air Force. It seems that Bill is holding a conversation with Mr. Dick North, the owner of the famous line of Pure-Bred Hereford Cattle. Over here to our left is a well known trio. Standing from left to right are: Famous Singing Star, Tom Brinkerhoff, Opera Star, Miss Shirley Ingram, and the famous movie star, Miss Donna Krabel. Miss Sharon North, who has finally graduated from college is catching up on the latest gossip from her good friend Mary Anna Slusser. Miss Slusser is a Home Ec. teacher at the new consolidated high school. Coming in the door at the far right is coach Joe Daughhetee. Coach Joe is walking with Bob Kerans, also a famous coach. Joe and Bob's teams will be opponents at the Illinois State Championship Tournament. Well, we must sign off now, don't forget to buy a Fly-True Spaceship. The spaceship with the forward look.

PROPHECY

In this year of 1980, we now look in on the 1957 Young America High School Seniors to see what they have accomplished in the last 20 years.

After boarding a rocket at Cleveland, we are soon on our way to New York. We learn from the stewardess, Marcella Monroe, formerly Marcella Jones, that the rocket belongs to Don Gones.

After landing in New York, we check in at the Williams' Hotel, formerly the Statler, now owned by Delbert Williams and Gail McNeese, who are the parents of two sets of twins. Also here is Kala Rollings, now married to a pro football player who is insured for a million dollars, and Ray Smith, now the seven foot center of the New York Knickerbockers.

We then go to supper and to the movies. We eat at a restaurant owned by Carl Simpson, assuming the title of "Cool Carl's Carrot Club". After supper we go to Carnegie Hall and see Margaret Kamman conduct the symphonic orchestra.

We then go to our hotel to watch T.V. Much to our surprise, Marilyn Fonner is now emcee on "What's My Line?' Her guest star of the evening is Elvis Valentino, prominent singer of the century, known in real life as Wallace Pennington.

Once again aboard our rocket, we head now for Houston, Texas. We are greeted by Mayor Donald Overton, and the new "Sheriff of Cochise" Evan Miller. Also here is Dale Dornblaser, owner of a 60,000 acre cattle spread, and Paul Palmer, prominent artist, and husband and daddy to Elsie Nees and their set of red-headed girl quintuplets.

The last stop on our trip is Florida, and soon we are on our way. We visit the Cypress Gardens, Florida's beautiful resort, now owned by Virgil Richey and Ervin Nees. We learn from them that Larry Kincaid is now the owner of all but three of Florida's orange groves, and that his cousin Jeanette, is employed in the pediatric department of the local hospital, and just recently delivered her millionth baby.

Very much exhausted, we begin the journey home. While airbourne we meet a flying saucer designed by Prof. Richard E. Hires, and owned by Mr. and Mrs. Kent Dale, known in vaudeville as "The Laughing Preacher and his English Teacher". We also meet a plane, on whose wing stands Mrs. Williams, who claims that the class of "57" drove her "out of this world".

As is evident, we seniors have done quite well for ourselves.
